CONCLUSION

The study is an attempt to compare the facts between the time of Birth horoscope and at the time of attained Rudhu horoscope.

At the time of birth we mainly considered the facts of time of birth, place of birth and the year of birth and based on these details the horoscope is framed for the child either male child or female child. Considering all above the factors prediction of the child's future based on a comparison of the zodiacal data the child's characteristics and personality, including their strength and weakness are prophesied.

Whereas for the Rudhu Jathagam or Rudhu Horoscope apart from the details of time of Rudhu attained, place of Rudhu attained and the year Rudhu attained the some other facts are considered for the female children only.

The other facts are Rudhu Graha Palankal, Rudhu Lakna Palankal, Rudhu Vaara Palankal, Rudhu Thithi Palankal, Rudhu Natchathira Palankal, Rudhu Yoga Palankal, Rudhu Karnam Palankal and Rudhu Sthana Palankal.

All the above facts have been given in detailed discussed with specific heads and will be the positive benefits and negative benefits those facts are considered. For the negative benefits there are remedies are available in the astrology and those persons needs to carry out the remedies with the proper guidelines of the astrologer.
